

BAUMA 2016 & TATRA Off Road Show April 11 – 17, 2016, Munich

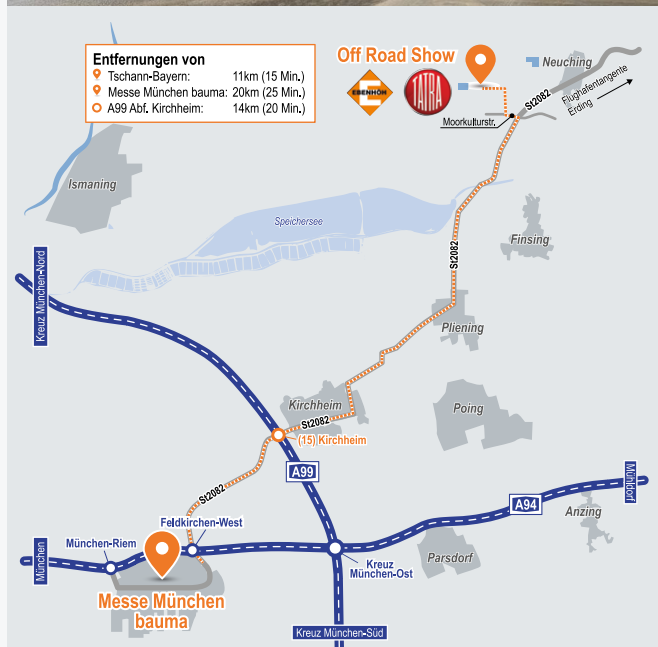

TATRA TRUCKS would like to invite you for the presentation of the best all-wheel-drive trucks at the exhibition **BAUMA 2016**.

We are going to introduce in a world premiere the new TATRA PHOENIX Euro 6 with drive 10x10 as efficient and productive truck for your mining and earth-moving works with a brand new heated tipper. Another TATRA PHOENIX Euro 6 with 6x6 drive with LIEBHERR mixer HTM 604 you can see at our stand which will be located in hall **B4, stand No. 349**.

You have also a unique possibility to test our trucks in the real conditions during the exhibition. Visit our **TATRA Off Road Show** that is held in Kieswerke Ebenhöf, Werk Lüß, Moorkulturstr., 85467 Neuching where you have possibility to get experience with TATRA Dakar racing truck. Book your time for the race and register on-line at www.eventassistant.de/tatra/bauma-en You can get there on your own or we can offer a shuttle bus from the exhibition centre.

Visit **TATRA stand at BAUMA 2016** and learn more about our off-road trucks and special solutions.
